A Bit About Me

Three words that describe me best: Creator ~ Maker ~ Designer

I noticed things for a living and try to point them out to people. I'm a teacher. I've started a couple companies more than a couple. I do projects and I try to make a ruckus.

This resume was created with the sweat and tears of many Umpa-Lumpa's.

Working with me may have a variety of symptoms, including lightheartedness, momentary cases of happiness, questioning why you hired others in the past, and increased success in your business activities. If you have a history of working with consultants, consult me immediately to break the cycle.
